## **Black Power sunbed**

Facial tanners 3 x 400 watts

Body tanners 44 x 160 watts

Black Power is a suitable tanning bed for:

- Customers with skin type 3 or 4 who have not been in the outdoor sun or under the sunbed for more than 1 month.
- Customers with skin type 2 who have built up a base color under BASIC tanning bed.
- Once you have built up a beautiful tan, you can perfect the tanning result under an ADVANCED tanning bed.

Your dream tanning result becomes reality thanks to:

- All-round tanning by lamps on the side of the body.
- Facial tanners.
- Shoulder tanning.
- Adjustable tanning strength (both body and face).

Turn your tanning session into a blissful moment of relaxation with these extras:

- Adjustable ventilation.

**Rate:** 0,50 € / min

Read the leaflet of your medication: some medicines increase the sensitivity of your skin under the sunbed.

Under 18 years of age, you should not go on a sunbed.

The time of the 1st tanning session is limited.
